SIM_2402

NICK SIMMONS WILL ALWAYS PUT OUR FAMILIES FIRST.

Reducing Taxes and the Cost of Living

Nick will fight to lower our taxes, our electricity bills, grow the economy, and maintain fiscal responsibility in Hartford.

Keeping Our Kids Safe

Nick will keep us safe by banning assault weapons and strengthening background checks for all gun purchases.

Protecting Choice

Nick will always defend a woman's right to choose and stand up to extremists who want to take away our rights.

A Lifetime of Service

After becoming a teacher and acting public school principal, Nick Simmons went to work with Governor Lamont to deliver record tax cuts, pay off record pension debt, and grow Connecticut's economy. As a Senior Advisor in the Biden Administration, Nick helped reopen America's schools during COVID-19. **Nick will fight to lower our taxes, for fiscal discipline in Hartford, and against extremist policies that don't represent our values on women's choice and gun safety.**

ENDORSED BY THE INDEPENDENT PARTY

NICK'S ENDORSED BY PLANNED PARENTHOOD, OUR FIREFIGHTERS, AND GOV. LAMONT. SCAN TO LEARN MORE ABOUT NICK:
